## LETTERS AND TOMATOES DEPT.

### IS MAD HEREDITARY?

In the 1950's I was an avid MAD reader, and it took me years to shake off the side-effects of my MAD addiction. Last week, while shopping with my daughter Jamie, I lost sight of her for a minute. When I found her, she was literally curled up inside the magazine racks reading MAD and laughing hysterically. She still hasn't stopped talking about it, so, despite my better judgment, I promised to get her a subscription. I think I might even sneak a peek at it myself!

Eric Geller  
Chestnut Hill, MA

### RIGHT ON TARGET?

I finally found the perfect use for all my old MAD Magazines.

Mike Jones  
Cranford, NJ

Old MAD Magazines...Get The Point??

### "MURDER" AND "VICE"

Did you ever catch the criminals who smuggled all the humor out of your "Miami Price" satire?

Dana Rodman  
Boston, MA

Yes, and we're happy to report that both jokes were recovered with the punch lines intact!  
—Ed.

The real crime in "Murder She Hopes" was committed by Angelo Torres and Dick DeBartolo! Unfortunately, they are both repeat offenders.

Ash-Lee Green  
Amarillo, TX

You'll be happy to learn that because of his work on "Murder She Hopes," Angelo Torres was convicted of MADslaughter and DREW a five year sentence in the PEN. Writer Dick DeBartolo was convicted of ARMED RIBBERY and is now doing time in a HALF-WIT House.  
—Ed.

John Laris of Bremerton, WA sent us this editorial cartoon which recently appeared in the Seattle Post-Intelligencer.

## MAYOR MAY NOT...

In MAD #261, your article "MAD's Great American Scavenger Hunt" called for a picture of the mayor of Spartanburg, South Carolina with the Rolling Stones. The picture of Mayor Lewis Miller is enclosed from the Spartanburg Herald-Journal. Do I get half credit?

Larry T. Blain  
Inman, SC

Mayor Lewis Miller Of Spartanburg

## YUPPIE LOVE

Your article "The MAD Guide To Yuppies, Yullies and Yuffies" was the most accurate profile of American lifestyles that I have seen in a long time. Frank Jacobs did make one very serious mistake, however: Yuppies do *not* chlorinate their birdbaths...we fill them with Perrier!

Kurt Priebe  
Renton, WA

## MORON MAIL

A lot of foods list an ingredient called "riboflavin" on their packages. Is riboflavin a real nutrient, or just another goofy name you MAD writers made up like "pötrzebje", "Veeblefretzer" and "Qwerty"?

Mike Berryessa  
San Jose, CA

Good question. For your information, riboflavin is a real word and our staff has found many things that use the name riboflavin. One of the recently discovered moons of Uranus is named Riboflavin. A riboflavin is also the device used to skim the scum off the tops of swimming pools. Riboflavin is the name of a character that appears in the book, but not the movie, "The Color Purple." It is also the nickname for the cut man of boxer Chuck "The Bayonne Bleeder" Wepner, Edward "Riboflavin" Sanbog. And, of course, riboflavin is a method of birth control frequently advocated by Dr. Ruth Westheimer. —Ed.

I'm Roger Ebert! And across the aisle from me is film critic Gene Sissy! Today we're going to review two films: "Death On The Nile" and "Young Frankenstein"!

I suggest that you get your eyes checked, Roger! Look at our assignment sheet! We're reviewing "Fools Of The Nile" and "Young Sureschlock Homely"!

Well... big deal! I'll just make up my reviews based on the clips we're about to show!

Just like you always do, Roger!

Yes, Gene, don't WE!

EXIT

It's not working, Jock! I hate my new novel so much I just threw my typewriter and the final page overboard!

The fish hate it, too! Here comes your typewriter back up! DUCK!

Let me introduce myself, Moan Wildone. I'm Omar Shariff! Come with me to Africa to write my biography! I will pass a law that any of my people who do not buy the book will be tortured and put to death!!

Wow! Talk about guaranteed sales!

That would be impossible!

But wait... I can't go without my best friend and lover!

OK, give me five minutes to say good-bye to what's-his-name!

WE LOVE THE U.S.

30 THOUSAND AWACS FOR OMAR SHARIFF... YOU GOT IT!

It's Rogue! What are you doing here??

I came to collect my share from the sale of the Stone!

Sorry! We only carry plot lines from one movie to another! Not financial agreements!

Then I want a piece of the sailboat!

Take as many pieces as you want!

ARTIST: MORT DRUCKER WRITER: DICK DE BARTOLO

You must come with me! Moan is in great danger! Omar lusts after power, money and the flesh!

Big deal! What are his bad traits?

Go anywhere you want, talk to anyone you like, take pictures of anything you wish! Just as long as you don't go outside this door or those windows!

Thank goodness Omar didn't rule out crashing through the floor!

I'm glad you dropped in! We must stop Omar or he will rule all of Africa!

Wow! Why stop him!? Do you know what that will mean for my book sales!?

Now I don't want to give away too much of the plot, but Moan escapes from the palace with that guy we just saw who turns out to be **The Jewel Of The Nile**, and they keep ahead of the chasing Omar through a sandstorm and a wacky runaway airplane scene!

And did I mention that Rogue joins the **Suefrees** and then goes on to rescue Moan and Jock?

If you tell them any more of the plot, they can just mail you the admission charge and stay home! Let's get back to the movie!

Well this looks like the end! Will you marry me?

How come you ask me now?

I figure it can't be much worse than this!

Well, look at my two little love bats! Looks like you'll be spending your honeymoon down that dark well!

Get us out of here, Rogue, and I promise "The Jewel Of The Nile" will be 100% yours!

OK, we finished off Omar Shariff for good! Now, where's my jewel?!

Me and my big mouth!

I like this movie! It had everything going for it—wit, suspense, humor and originality!

I totally agree with you except I thought it was dull, stupid, pointless, and an obvious rip-off!

Is that a description of the movie or yourself? Our next movie deals with **Sureschlock Homely** when he was young!

Wow! It's wonderful the way you're able to get to the heart of a movie so quickly! I wonder if the title of the film gave you any hints...

A PAIR OF DEDUCERS DEPT.

# YOUNG SURESCHLOCK HOMELY

Waiter, I know I asked for "fresh pheasant," but this is ridiculous! Get this wild bird off me!

Wild bird, sir? You're having a hallucination!

Well, I didn't order one, and I certainly won't pay for it!

Let me introduce myself...

Don't tell me—I'll tell you! Your name is Arthur Charney! You're from East Grinstead! Your father's a butcher and you wish to be an accountant!

Wrong on all counts! Not even close!

So give me time! I'm only the young Sureschlock Homely, you know! I'm bound to improve as I get older!

Your time for the "Hidden Fencing Trophy" challenge is up, Homely! Have you found it yet?

I shall uncover it presently, Whatsol! It's hidden in this poor facsimile of an antique vase—which I shall now smash to the floor!

But there's no hidden trophy, Homely! And that vase was a genuine, priceless antique!

That just shows you how stupid those boys are, Whatsol! This was the one perfect hiding spot for the trophy and they didn't find it, I did! Thus, I am the winner!

Remember, boy, never replace discipline with emotion or sentiment with mustard!

Sir, what does that mean?

It means I won! While you were trying to find logic in a stupid statement, I beat you!

You were caught with answers to the final exam, Homely, and we haven't written the exam yet! You are being expelled!

But sir, my record is unblemished, and my lowest grade is A++!

True, but remember the school motto—"Quo Twitorious Expellus Clorius Mundi Brainus Boardil" which means, "Expel any twit smarter than the board..."

You needn't bother to translate, sir! As an expert in Latin, and with today being Monday, I get the message!

No, no, sir! please don't stab yourself! Not until you've paid for that knife!

Sureschlock, you know my uncle didn't stab himself without some reason! He was as sane a man as ever lived!

That's true, Elizabetch! I will miss old Professor Whacko leaping off the roof trying to fly a bicycle!

I must find the answers to **who, how, and why!**

**Who, how, and why, Homely?**

Yes, Whatso! **Who** killed him? **How** was he killed? And most important, **why** did he wear this ridiculous hat?

You know, Elizabeth, after living here with you in your uncle's attic, I've discovered many things about you that are **different** than the other chaps...

Yes, yes, go on, go on...

You walk differently, you smell sweet, your skin is soft...

And what **conclusion** does this bring you to, Sureschlock?

I deduce that you are a **girl!**

Now we're **getting somewhere!** How would you like to **dust me** for fingerprints?

I tell you, Lt. La Clod, something **strange** is going on! A man fights a cooked pheasant in a restaurant, then leaps to his death! A vicar throws himself under a horse drawn carriage! Professor Whacko stabs himself to death for no reason! There must be a **link** between them!

**Link?** Yes, indeed! It's called "**coincidence**," silly boy! If the first man lived on the **ground floor**, no death! If no **carriage** passed at **that moment**, no second death! And had Whacko been at a **laundry** instead, would he have **starched** himself to rigor mortis?

We'll solve these crimes by **logic, perception, and deduction!** Remember the riddle: "If your window faces north, what **color** is the **white bear**?"

The **white bear?** Hmm, is it **brown?**

On the other hand, we may **never** find the murderer!

I checked that shred of fabric Elizabeth found, Whatso! It was made by this company! What say we have a look **inside!**

Hmm, very strange goings on, indeed! These people are practicing an ancient Egyptian **sacrificial rite!** The game is **afoot!**

More than a **foot**, Homely—a **whole body!**

You won't get a **head** with **word play** like that, Whatso!

A **head?** Wonderful! How's this—they're doing **wrong** in their rite!

Better, old chap! By jove, it's Elizabeth they're **preparing** to **sacrifice!**

The other mask, you idiot! This is the wrong end!

The head priest is Rat! We've got to save Elizabeth by creating a diversion!

Why don't you play your violin? That should clear the temple in no time!

My expertise in the field of ancient architecture tells me to pull this pin!

TO DISASSEMBLE THIS THREE STORY INDOOR RELIGIOUS PYRAMID INSTANTLY - PULL THIS PIN.

Hmm, this scene is familiar, but not the dialogue! Am I in the right movie, Mr. Spielberg?

Go back a few pages, Indy—"Fool Of The Nile" needs you more than Sureschlock!

Revenge is sweeter when served up cold, Rat!

Where did you learn that, from William Shakespeare?

No, swine, from Tom Carvel!

I'm afraid Elizabeth died, Sureschlock!

Some doctor you're going to make, Whatso!

I did everything I learned in medical school—I gave her a magazine and told her I'd be with her in a short while! She obviously couldn't wait!

Well, we've put an end to that underground religious cult, Whatso! Now I must be on my way!

Wait, Sureschlock! We've learned about your famous hat, your famous pipe, and your famous power of deduction! We haven't learned one other thing...

how you picked up your famous cocaine addiction!

Elementary, my dear Whatso!  
Elementary?

Yes, someone sold me this stuff outside the elementary school! Now I'm hooked!

To me, this movie was just like a roller coaster—I was up, I was down—I loved it!

It was like a roller coaster for me, too! I threw up! That makes this show interesting—you get two sides—an intelligent one, and then Roger's!

So, until the next time MAD decides to blast two turkeys...

He means movies, not us!

"Quo twit-orious finite!"

It's an ugly world out there, what with wars and terrorists and muggers and all the rest. And it's time we prepared the kiddies by giving them the message as early as possible. Well, what better way to introduce them to the hard realities of life, than with Mad's...

## JACK SPRAT

Jack Sprat  
Can swing his bat;  
His wife can spray her mace;  
He'll smack her hard  
When she's off-guard;  
She'll spritz him in the face.

Jack Sprat  
Is knocked out flat,  
His wife the worst of sights;  
Though bitter foes,  
At least it shows  
They're into equal rights.

# THIS IS THE FILM THAT JACK MADE

This is the film that Jack made.

This is the girl who's blown away  
who's in the film that Jack made.

This is the creep who stalks his prey,  
Who blasts the girl who's blown away,  
Who's in the film that Jack made.

This is the ax that splits the head  
That's swung by the creep who stalks his prey,  
Who blasts the girl who's blown away,  
Who's in the film that Jack made.

This is the dude who winds up dead  
From getting the ax that splits his head  
That's swung by the creep who stalks his prey,  
Who blasts the girl who's blown away,  
Who's in the film that Jack made.

This is the salesman from Omaha,  
Who calls on the dude who winds up dead  
From getting the ax that splits his head  
That's swung by the creep who blasts the  
girl who's in the film that Jack made.

This is the handy electric saw

These are the profits of bucks galore  
That come from the carnage of blood and gore

For getting rid of all those folks  
With whom he disagreed.

Omar let his bomb go off  
Without the proper care;  
And now we're finding little bits  
Of Omar ev'rywhere.

## HUMPTY DUMPTY

Humpty Dumpty  
Plays for the Pack;  
Humpty Dumpty  
Is a great back;  
Says he, "Sure, it's true that the game's kind of rough,  
"But I always survive, 'cause I'm burly and tough."

Humpty Dumpty  
Takes a hard shot;  
Humpty Dumpty  
Says, "Hey, so what?"  
"On the field I expect to get tackled and spilled,  
"But those fights in the stands—  
why, a guy could get killed!"

## AS I WAS GOING TO ST. IVES

As I was going to St. Ives,  
I met a man with seven knives,  
Three rifles, 14 hand grenades,  
Two hatchets sharp as razor blades,  
A bow and arrow, poison darts,  
Plus knowledge of the martial arts;  
All of which may help to explain  
why *he* wasn't beaten, robbed and  
left to die like *I* was while  
going to St. Ives.

## TAFFY WAS A HITMAN

Taffy was a hitman  
Hired by Mother Goose;  
Taffy followed orders  
When she turned him loose;  
Taffy killed Jack Horner,  
Taffy killed Jack Sprat,  
Taffy killed the Fiddle;  
Taffy killed the Cat,  
Taffy killed Miss Muffet,  
Taffy killed Boy Blue,  
Taffy killed Ma Hubbard,  
Killed her children, too;  
Taffy killed Sol Grundy,  
Taffy killed King Cole;  
Guess this piece is finished—  
Taffy's on a roll.

# ONE DAY IN THE SUBURBS

You can't turn on a radio today without hearing *Lionel Richie* singing some song about lost love, loneliness or breaking up—the *FUN* things! That's all well and good, but what about the *IMPORTANT* things—like the black/white segregation in South Africa (apartheid), and the red/green gelatin dessert in the refrigerator (Jello). Well, tune up your vocal cords as *Mad* devotes the next 3 pages skillfully rectifying this oversight with...

# ALL-WHITE SONG

(Sung to the tune of Lionel Richie's "All Night Long")

Hey, there blacks...the time has come  
To lighten up—so why be glum  
Sittin' in your run-down...Capetown slum?  
Let the sys-tem go on! Go on! Go on!  
Everybody knows...when they grow up black  
Six can share...a one-room shack!

Let's keep Apartheid—without it...our land would be duller!  
And let the world be shown—  
We need Apartheid—it's handy...for knowing your color!  
Come on and sing our own—  
All-White song! All-White! That's right!  
All-White song! All-White! That's right!  
All-White song! All-White! That's right!  
All-White song! All-White! That's right!

Blacks are getting...a real fair shake,  
Doing jobs that...no white will take—  
We won't mention...how much they make!  
Let the sys-tem go on! Go on! Go on!  
Such a happy bunch...never in the way—  
In the mines...twelve hours a day!  
Let's keep Apartheid—don't knock it—it works to perfec-tion!  
And let the world be shown—  
We need Apartheid—blacks love it—it gives them direc-tion!

*I love the way you wig-gle in my bowl—  
And every time you touch my lips... I lose control;  
I taste you and my stomach cries for more—  
Jel-lo!...you're the one I'm yearning for!*

*For I've seen the way you move  
When you're firm and stand-ing tall;  
I've seen you when you're half dissolved  
and have no shape at all;  
You're so easy go-in' down  
That there ain't no need to chew—  
Ev'ry time I see you quiv-er... I want you!*

*I love the way you plop out of your mold—  
But when I draw you close to me...you're hard to hold;  
You tumble from my spoon on-to the floor—  
Jel-lo!...that just makes me want you more!*

*When you're coolin' in the fridge,  
There's a passion that I feel  
Just to know that any moment you'll be  
startin' to congeal;  
Though your blobs fall on my tie,  
Never think our love is through—  
No matter how you treat me... I want you!*

*Jel-lo!...you're the one that I adore!*

*You're so pleasing to my gums  
That I never have to floss;  
You're a treat with cream; I bet you'd even  
go with A-I Sauce;  
You're the one I most pre-fer  
When I'm laid up with the flu—  
Whether cherry, orange or lemon...*

*I want you!*

Who is the most feared person in the world? No, it's not an international terrorist or a Mafia hit man or a guy who can push the button and start a nuclear war! It's a boring, wimpy little accountant who happens to be a man from the I.R.S.! And why does this mild-mannered little guy strike terror into the hearts of even the bravest of men? To find the answer, we bring you another fearless, hard-hitting, no-holds-barred interview ... this one with Mr. Shylock Leach who has been selected as

# MAD'S I.R.S. AGENT OF THE YEAR

Hi, folks! I'm Eddie Smurphy and you're probably wondering why I'm conducting this interview on taxes!

Well, I happen to be an expert on the subject! I put all my money into taxes, 'cause that's the only thing that keeps going up!

Hey, c'mon, Mr. Leach! When I say stuff like that on "Saturday Night Live," the audience screams, "Whooooooooo!"

Actually, those weirdos scream "Whoooo!" no matter what I do!

Hey, Leach! You oughta print tax forms on KLEENEX! We PAY through the NOSE!

Better yet, print tax forms on CHARMIN cause they're one pain in the—

Did you bring all your receipts and cancelled checks, Mr—uh—I didn't get your name!

M-m-my name?? Richard Pryor! But I'm not here for an AUDIT! I'm here to interview you for MAD Magazine!

ARTIST: GEORGE WOODBRIDGE

WRITER: LOU SILVERSTONE

Tell me, Mr. Leach, why did you become an I.R.S. Agent? Are you into "S & M"?

Do you remember when you were in school, and there was always one kid that everybody picked on??

Right! I KNOW the wimp! Short little sucker! Wore big old glasses! Had all them ball-point pens in his pocket! Carried a calculator! And the turkey always did his homework!!

Yes, well, I was that kid that everybody always picked on...!

Not ME, Man! I never hassled the dude! I used to tell the other guys, "Hey, you fools! You be leavin' that boy alone or you're gonna hafta deal with ME!"

But NOW it's "PAY-BACK TIME"! If anybody gives me the slightest trouble, I hit him with the magic words: "May I have your FULL NAME and SOCIAL SECURITY NUMBER!?"

You I.R.S. guys make big bucks, huh?

No! We're Civil Service! We get paid the same as mailmen, sanitation workers and xerox operators!

Yeah, but I'll bet you make plenty on the side from those rich cats you catch cheating!

May I have your FULL NAME and SOCIAL SECURITY

Hey... I'm only messin' around! Sure, you I.R.S. guys are honest! I mean, just because you don't make much money... and you're auditing guys who are MILLIONAIRES... is no reason to think you'd take a bribe, huh...?!

Actually, we DID have a BRIBERY SCANDAL! A Congressional Investigation Committee found that there were a lot of I.R.S. people on the take! But that was thirty years ago...!

Today... nobody's on the take!?

No, today, nobody's investigating us!

What's this?? The TV Game Room?? You got PAC MAN??

No, these are the computers that help us find tax cheats! As a matter of fact... I just caught me one!

You ZAPPED him with your technological hardware!?

Not exactly!! His WIFE turned him in!

Why'd she do that?

She found out that taxes weren't the ONLY thing he was cheating on! And, of course, there was the reward we pay to informers!!

You PAY people to RAT on each other?! Gee, you oughta run ADS!

"Kids, get that new stereo you want! Turn in your old man!"

Great idea! I'll bring it up at our next meeting! If the President expects doctors and nurses in Family Planning Clinics to squeal on pregnant teenagers, why shouldn't we expect teenagers to squeal on their parents?! It's the American Way!!

Let's hear it for America the land of the free and the home of the fink!

Hey, Man! Is this YOUR house?

No, this is where a suspected tax cheat lives!

But you're reading the guy's MAIL!! Man, it's ILLEGAL to get evidence that way!!

What evidence?! This is a letter from his GIRL FRIEND!

What's a letter from his chick have to do with his taxes???

Nothing, really! But in this business, we NEED a few laughs!

But you're violating his Civil Rights! Hey, even MURDERERS have their Civil Rights, Man!!

Murderers, yes! Taxpayers, no!!

Now you're bugging the guy's phone? Don't you ever watch TV...? You can't use that stuff in Court!!

Who said anything about Court?! All we want is the poor slob's money! Off the record, I have a quota to meet! The more loot we bring in, the faster we get promoted!

I'm with the Government! I'd like to see Mr. A. Giblet's bank records!

Sorry! That information is confidential! You'll need a Court Order!

I have something even better—my I.R.S. card! Now, what did you say your name was...?

YOU FRIENDLY BANK

Uh... I'm always glad to cooperate with the I.R.S.! Here are Mr. Giblet's complete banking records... including his Christmas Club, his wife's checking account, his kids' savings accounts, and a brand new toaster... just for you!

No trip to the bank's complete without a FREE gift... heh-heh!

Man, you sure scared that turkey at the bank!

Intimidation is an important part of our operation!

I dig! Same thing in our neighborhood!

I only took records! I HAVE the power to seize a person's bank accounts, his house, his car and everything he owns!!

Man, just wait till the brothers hear about this... LEGALIZED LOOTING!!

Besides using paid informers where ELSE do you get tips on people?

We read the newspapers!

I know that newspapers list a lot of stuff like "The Top Ten" but TAX CHEATS...?!

We check out the Society Page to see who threw an expensive bash! Then we look up the guy's return to see if he can afford it on his "declared income"!

Man the next time that I party, I'm sure not gonna tel The National Enquirer!

We also check to see who was robbed!

Here's a house that was burglarized! The victim claims that the thieves took "a half a million in jewelry"!

Now, according to his 1040, there's no way he could have that much loot! I'll just call him in for an audit!

You mean, after the man's been RIPPED OFF, you're gonna do it to him again!?

You better believe it! It's little things like THIS that makes this job WORTHWHILE!

Today, taxpayers have it easy! Why, back in Ancient Egypt, they whipped delinquent taxpayers! And in Rome, they used to torture their tax cheaters!

From what I hear, the rack would be a piece of cake compared to an I.R.S. audit!
